MEMO NO.- 05 25X1A

MEMORANDUM FOR:

SUBJECT:

25X1C

1. OER is presently engaged in the preparation of a research aide entitled, "Prices of Machinery and Equipment in the People's Republic of China." In order to permit a wider dissemination, we should like to issue it on an unclassified basis.

2. A great deal of source material on this subject is unclassified, but in some instances the only data are contained in classified reports. In these cases, we are going back to the originators of the source material and requesting permission to declassify the information.

25X1C

25X1C

Could you look into the possibility of our using this information in an unclassified report? Anything you can do would be appreciated.

25X1A

MEMORANDUM FOR: [REDACTED]

SUBJECT : Declassification of OER Project 21.08002
Prices of Machinery and Equipment in
The People's Republic of China.

1. The purpose of this memo is to summarize the results of the Declassification Conference on April 15, 1975 attended by:

a. [REDACTED]
b. [REDACTED]
c. [REDACTED]
d. [REDACTED]

25X1A

2. The use in this unclassified publication, of price information [REDACTED] It was determined that such information could be published in the unclassified version of OER Project No. 21.08002 under the following considerations:

25X1D

a. There is to be no implication in the published report of the specific source of classified information.

b. References to any prices dated after 1960 are to be removed so that all prices from that time forward are not referenced. [REDACTED]
